Dear Mr Fry,

Further to your appearance at the recent Examination of the National Park Authority's Local Development Plan, you will recall that the Authority was asked by the Inspector to provide you with contact details for the Welsh Government Regeneration Team with a view to discussing the proposals for your properties in Tenby. The relevant person to contact is Gillian McGregor, who is the Regeneration Manager in the Homes and Places Division. Her address is:

Her telephone number is _____ and her email contact is _____

Ms McGregor has advised that the Welsh Government's current Regeneration programme (2018-21) is currently focussed on their priority locations of Pembroke and Haverfordwest and that all funding is currently allocated to those settlements. Future opportunities should be discussed with Pembrokeshire County Council as proposals for future consideration need to be endorsed by the local authority and the regional local authority group before making it onto a Regeneration priority list.

Yours sincerely,

Sarah Hirst
Planning Officer (Park Direction)
